

PATHWAYS

FOR STUDENTS & RECENT GRADUATES
TO FEDERAL CAREERS

NASA Goddard Space Flight Center is embarking on great missions and seeking fresh ideas! Don't miss out on the possibility of becoming a part of the NASA team and developing job skills that could take you farther than you have ever imagined. NASA is recognized as one of the best places to work in the Federal government.

The Goddard Space Flight Center (GSFC) is seeking current undergraduate and graduate students for the NASA **Pathways Internship Employment Program (IEP)**. The IEP provides paid opportunities for students to explore a Federal career while still in school. *This program is formerly known as the Cooperative Education (CO-OP) Program.*

Please be on the lookout for our **Spring 2015 Pathways Intern opportunities** which will be open **September 29, 2014** through **October 6, 2014**. Search <http://nasajobs.nasa.gov/> for opportunities in the following areas of study:

Greenbelt, MD

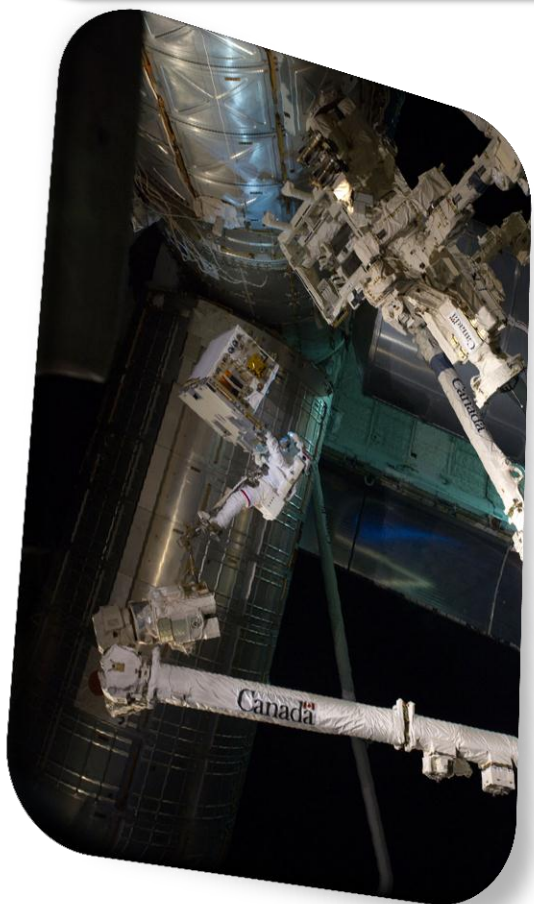

Engineering and technical majors	GS14I0009
Business and related majors	GS14I0012
Engineering technology majors	GS14I0014

Wallops Island, VA

Engineering and technical majors	GS14I0010
Business and related majors	GS14I0013
Engineering technology majors	GS14I0015

Fairmont, WV

Engineering and technical majors	GS14I0011
----------------------------------	-----------

If you are interested in **non-civil service student research-based science, technology, engineering and math (STEM) opportunities** (e.g. 10-week summer assignments) sponsored by NASA's Office of Education, apply directly at: intern.nasa.gov. The full suite of Office of Education opportunities includes internships, fellowships and scholarships.

Note: U.S. Citizenship is required for these programs. If you are not a U.S. Citizen, please visit www.nasajobs.nasa.gov/jobs/noncitizens.htm for information for Non U.S. Citizens and job opportunities.

One Stop Shopping Initiative (OSSI)

One NASA System • One Submitted Application • One Amazing Opportunity
